**Comments:**

7/11/2005 - Sent letter closing file. Inspection found no mining related disturbances. The BLM informed DOGM this mine was never opened, so at your request, we are closing file.

8/31/2004 - Phone call to Paul Baker stating reclamation work has been completed and he wants sites inspected and closed. One of his two sites (S/019/052 and S/019/054) was never done and the other he has spent \$3,600 to reclaim. DOGM will mark status as "INS" per this request.

8/10/2004 - Sent 2nd delinquency notice for no payment of 2004 permit fees. MINING IS SUSPENDED UNTIL RESOLVED. If payment is not received by August 31st, a Notice of Violation may be issued and fines could be imposed. If found mining, another violation will be issued
